Hey Denise,

Here is the request that was sent by our mussel survey coordinator last fall. She is still working on submitting the updated request to FWS for this coming mussel season, and I will let you know as soon as that new request has been sent.

I'm looking into the WER data issue. I understand the issue as you described it on the phone, and I'll get back to you after I look into it.

Thanks!

Laura K. Cooper
